Hello,

I am Boris the Safeguarding Minion for Brantridge School. I can help you with any worries or concerns you may have. All you have to do is fill out one of these leaflets and post it in the special box. The box can be found outside the Headteacher's office. Everyone here wants you to feel happy and safe, and will work to make sure your worry or concern is dealt with as soon as possible. Mrs Carole Johns, who is the Designated Lead for Safeguarding, will make an appointment with you to discuss your worries or concerns in private once you have posted your leaflet.
