

Sports Premium Expenditure Report 2016 – 17

1. Introduction

The Sport Premium is an allocation of additional funding from the Department for Education, given to every school with primary age children to support the development of Physical Education, School Sport and Competition. This money is ring-fenced. All schools are required to report on the amount of funding received and how this is being used, as well as the impact this is having on pupils.

2. Brantridge Objectives

- Promote healthy physical lifestyle through engagement with sport
- Broaden range of sporting opportunities and experiences available to pupils
- Nurture a love of physical activity and sport within pupils
- Improve provision and delivery of PE and school sport

3. Funding 2016/17

| | |
|------------------------------------|---------------|
| Allocation 2016 – 2017 | £8,130 |
| Carry forward from 2015 – 2016 | £0 |
| Total 2016 – 2017 | £8,130 |
| | |
| Balance remaining to carry forward | Zero |

4. Priority areas of spend identified

In line with our vision and in conjunction with our data analysis, we have identified the following priority spend areas:

- **Social and emotional wellbeing** to address barriers to learning, through improving self-worth, self-regard, self-confidence.
- **Engagement and participation** – pupils, families, community
- **Healthy Life Styles** to develop a connection with diet, food intake and physical activity, resulting in a healthier body.

5. Detailed projected spend

| Area | Activity | Spend | Impact |
|----------------------------------|-----------------------|---------|--|
| Brighton & Hove in the Community | Football Competitions | £620.00 | <p>Every year we enter a number of teams, both Infant and Junior teams, into the Inter Schools Football Competition hosted by Albion in the Community. 2016 – 2017 was no exception. There are two separate completions for both age groups; we enter both competitions and both age groups.</p> <p>We measure success not by coming away with Winners Medals; all contestants receive a medal, nor do we measure success in coming first in the competition.</p> <p>Success for Brantridge is measured in many ways –</p> <ul style="list-style-type: none"> • The behaviour displayed across the whole day; the team members are ambassadors not only for Brantridge, but also for the Trust, • Demonstration of effective teamwork, • Demonstration of good sportsmanship, • Support of team members who are not as skilful at football, as some of their peers. <p>It is safe to say, that the pupils are very successful in the competition. Behaviour is always overall good. The pupils are considerate of their teammates and the team members of the team they beat.</p> <p>We do come away with first place, but not every time, we see this as a bonus, not the ultimate end goal. Taking part increases emotional resilience and improves the pupils Emotional Intelligence. When pupils self-regulate well in the competition, it boosts self-confidence, knowing that they can make the right choices in competitive, emotionally charged situations. In addition, contact outside of Brantridge with other schools is invaluable.</p> |

| | | | |
|----------|--------------------------|----------|--|
| Gym | K2 Gymnastics coaching | £2774.00 | <p>All pupils have access to gymnastics, over the course of the year. This is by class group and lasts for half a term per class. The impact of gymnastics is measured in several different ways. Our pupils attend K2, Leisure centre in Crawley, where trained coaches deliver coaching sessions.</p> <p>The equipment and resources we have access to are first class. This is one of the venues, some of the national Team use to train. K2 has the full range of equipment, that you see used in the Olympics.</p> <p>All pupils achieve a range of certificates, for skill development, produced by the British Gymnastics - Core Proficiency Awards Scheme. The certificates build on the skills achieved during their last attendance at K2, in sequence.</p> <p>The importance of attending these sessions cannot be underestimated. Many of the pupils at Brantridge find writing difficult. One of the reasons for poor handwriting is weak core strength. Attending the gymnastics sessions has a direct link to the work on handwriting we carryout back in school.</p> <p>Similarly, Dyspraxia, an issue for some pupils and coordination in general for many pupils, is improved by gymnastics training. As core, strength improves, so does confidence, self-regard and importantly so does the pupils fitness levels.</p> |
| Swimming | Dolphin Swimming Lessons | £1569.10 | <p>As with gymnastics, all pupils have access to swimming, over the course of the year. Similarly, this is by class group and lasts for half a term per class.</p> <p>Pupils attend the Dolphin in Haywards Heath for swimming lessons. We start with water confidence, through learning to swim, stroke improvement and some pupils then move onto survival skills, swimming in clothes etc.</p> <p>As a skill, the ability to swim will be useful throughout the person's life. Firstly, they will not drown if they get into water. As a leisure activity, it is useful, as a fitness activity, it is extremely effective.</p> |

| | | | |
|----------------------------|--|-------|--|
| | | | <p>For those who enjoy swimming and wish to pursue it, competitive swimming and clubs offer a great social experience, and maintains health and well-being.</p> <p>Like all of the above activities, swimming improves emotional well-being, improving mental health, confidence, emotional resilience self-regards etc.</p> |
| Enrichment Week activities | | £3000 | <p>In Enrichment Week, we used the money for a number of activities. We brought into school a range of large inflatable items, i.e. water slide, an obstacle course. All pupils had access to these activities. In addition, we pupils went to Thorpe Park, drove Go-Karts in Crawley and attended leaver's lunch. Individual Classes also arranged their own outings.</p> |
