

English

We will look at the Amazon rainforest within Brazil to write non-chronological reports.

Stories based in the rainforest will be the main focus for our big write.

Our guided reading books will look at information books on the rainforest.

Science

We will learn to identify types of teeth.

We will learn to carry out a fair test.

We will learn how to present evidence.

We will learn to draw a food chain.

ICT

In this half term the boys will be partaking in lessons about multimedia authoring. Creating an e-book based around the natural world; the theme of the stories can be decided by the boys based around the topic.

Music

We will look at the more traditional musical elements, with staves, notes and the treble clef. We will be learning about the music linked in with the rain forest and with the sounds of the individual animals.

Making our own instruments.

Religious Education

We will have a look at how lots of different religions can be found throughout the world. This half terms study will be about Islam. We will be looking at Ramadan.

Natural World

Titan Topic Web- Summer (1) 2018

Maths

Use grid method to multiply 2-digit numbers and 3-digit numbers by 2-digit numbers

Use long multiplication to multiply 2-digit numbers and 3-digit numbers by 2-digit numbers

Read timetables using the 24-hour clock

Calculate time intervals and find a given number of minutes or hours and minutes later

Draw and interpret line graphs and read intermediate points

Solve problems involving rate

Compare and order numbers with three decimals and place on a line

Convert between kilograms and grams, litres and millilitres, metres and kilometres

Use long multiplication to multiply pairs of 2-digit numbers together where one number is less than 30

Use rounding to estimate products

Multiply mixed numbers by whole numbers

Use column subtraction of whole numbers and counting up (Frog) to subtract decimals including money

Solve single and multi-step word problems, working out which calculation(s) are necessary

Art and DT

Art: collage,
Use of natural materials to complete art
DT: Making own musical instruments.

Physical Education

To link into our topic this half term we will be looking at the movement of animals, we will focus on the use of our bodies to move and sound like these animals to music.

The boys will also have an outside provider delivering a street dance lesson each week, demonstrating improvement in their performances.

History

We will look at the development of the rainforest, from then to now, with the deforestation and the change of animal habitats and habits.

Geography

We will be looking at the location of Brazil, for the rainforest. The geography around where trade goes in relation to the logging and the effect it has.
