## Attendance

Autumn Term	Spring Term	Summer Term	Overall
88.81%	95.96%	100%	94.57%

## Class Teacher's Comment

Jimmy has been an excellent pupil this year. He has engaged in nearly a hundred percent of lessons, although not always with all guns blazing. His mathematical progress has been good covering up patches in his understanding and working towards improving his times tables. His written work has gone from strength to strength with some real enthusiasm which has been pleasing to see. He has been good at making friends and he has been good at resolving disputes and shown some really good leadership especially as the youngest member of the class. The last two terms haven't been without their hiccups, but the great thing about Jimmy is his ability to be able to apologize, not hold grudges and even willingly take on detentions that he feels he deserves (which shows an honesty and sense of self which is rarity at any school). I wish him the best of luck next year .

## Academic Target

Jimmy has got super focus on his behavior in school he now needs to up his own personal academic expectations. He can write more and achieve higher maths levels. He has been working with boys a year older and he needs to make sure he keeps that level with his next class.

## Therapy Comment

Jimmy has completed a weekly social skills session in class co-delivered by his class teacher and the Speech and Language Therapist. This group has looked at the idea of what you want from a true friend and what skills you need to have, to be a good friend. Jimmy has completed all of the tasks in the sessions and Jimmy is very clear on what he likes in a friend and why he is a good friend. Jimmy has demonstrated excellent listening and attention skills, and he is able to turn take with others in conversation. Jimmy found it difficult when playing games to bend to the rules of others. Jimmy will benefit from having further support around emotional regulation when things go wrong or he feels a decision is unjust.

Rebecca Williams - Speech and Language Therapist

## SMT Comments

Jimmy has enjoyed an exceptional Summer term at Brantridge and keeps improving. He enjoys the whole school experience and is regularly King of the golds and Top of the league whole school and in Jupiter and rewarded in assembly. He displays a lovely nature and works well with all staff for the majority of the time. He rarely displays negative behaviour and is keen to be his best and make academic progress. I love seeing him enjoy Football on the all weather pitch and he is a true sportsman.

Overall a superb year seeing academic progress and improved social interaction, he is anxious about the impending move and this is the only time we have seen negative interaction.

We thoroughly enjoy having Jimmy at Brantridge, keep up the good work Jimmy
